

How to Restore Your MAAT License

1. Make sure that you have the latest versions of your MAAT products.
2. Visit the **MAAT License Portal** <http://lc.codemeter.com/83343/depot/>
3. In the **Product Key** field, enter or copy & paste your **MAAT Product Key** (including the dashes):

The screenshot shows the MAAT logo on the left. In the top right, there are navigation links for 'Home' and 'Auto Update', and a language dropdown menu set to 'English' with a UK flag icon. The main heading is 'Welcome to the MAAT Inc. License Portal'. Below this is a text box containing the message: 'Welcome to MAAT's License Portal. You can transfer your licenses to a virtual container using this License Portal. Please enter your product key and click "Next".' Underneath the text box is a label 'Product Key:' followed by an empty text input field. At the bottom left of the form is an orange button labeled 'Next'.

4. In the following window you should see your product(s) listed. Click **Restore Licenses**

The screenshot shows the MAAT logo on the left. In the top right, there are navigation links for 'Home', 'My Licenses', and 'Auto Update', and a language dropdown menu set to 'English' with a UK flag icon. The main heading is 'My Licenses'. Below this is a table with the following data:

Name	Activated On	CmContainer	Status
MAAT Dynamic Range Meter (Buy)	2017-10-05 07:25:24	130-1590512953	Available: 0 (1)

At the bottom of the page are two orange buttons: 'Re-Host (Move) Licenses' and 'Restore Licenses'.

5. Continue to follow the prompts for license restoration. This part of the process is very similar to regular online license activation.
